The bank barn was completely restored by the noted construction firm, Dutch Masters. The entire barn was raised and set on a new foundation with a higher main level to accommodate horses. The barn has 6 stalls plus a wash stall, and a heated tack room plus a large loft with superb beamed joinery. Multiple rolled cedar rail fenced paddocks are arrayed around the barn.

The Run-in

The Run-in shed has 2 bays and has both power and water and has direct access to large paddocks. This building has been used for Angus cattle and retired horses over the years.

4-Bay Workshop

The 4-bay workshop is a pole constructed building with metal roof and has its own large parking area plus an irrigated vegetable garden and is located to the south of the 2nd residence.

Location

Nestled in nature with stunning country views in every direction. The property has some of the highest elevations in King. Surrounded by serene walking trails through the woods & fields and yet is conveniently located just minutes from top schools and all essential amenities, including a short 10-minute drive to Country Day School, St. Andrews College, St. Anne's, Villanova and within easy access to King City, Aurora and both highways 400 & 404.

This exceptional family property offers not just a home, but a lifestyle—full of peace, privacy, and endless outdoor possibilities. Don't miss your chance to own this one-of-a-kind property.
