Top Of The World

This building lot must be seen to be believed! With perhaps the best view of the city skyline in all of the GTA, lots like this are almost never made available!

Wind your way through a hardwood forest to the south end of the property, where the forest ends and the world falls away to unobstructed views of the Toronto skyline. It truly feels like you are on top of the world!

This truly unique 15+ acre lot is located between Heart Lake Road and Horseshoe Hill Road on the south side of Escarpment Sideroad.

Come and see it for yourself, walk the property and decide where you will build your dream home!

Easy access to shopping, golf courses, restaurants, parks, major highways & Caledon Trailway for miles of hiking, biking, horseback riding or x-country skiing.
