Long Lane, Caledon

Down a long lane, sits this impressive 4+ bedroom home on 57 acres in Caledon. The home was sited to look west over the rolling lands and pond and is well hidden from the paved road. Total privacy is assured. Across the drive is a workshop building – a perfect place to store all the toys! Fully finished walk-out lower level. Multi-tier west facing deck. The flow of the home is superb with 2-storey family room, breakfast room and kitchen all placed in the core of the home. Oversized 3-car garage with finished studio space above. Main master suite and main floor laundry!
